- C. Partnerships - A partnership whose partners are subject to the tax on all or part of their distributive share of net profits may make payments of Estimated Income Tax. If the partnership makes payments, the partners will not be required to make payments as individuals, unless they have other income on which the Detroit income tax is expected to exceed One Hundred Dollars (\$100.00). The payments made by the partnership should be accompanied by a statement showing the names, addresses and social security numbers of the partners on whose behalf the payments are being made.
3. WHEN AND WHERE TO PAY ESTIMATED TAX:
- A. First Payment for Calendar Year - The First Payment for a calendar year must be filed on or before April 30th of that year. The estimated tax is payable in equal installments on or before Apr. 30th, June 30th, Sept. 30th and Jan. 31st.
- B. First Payment for Fiscal Year - The First Payment for a fiscal year, or period differing from the calendar year must be filed within four (4) months after the beginning of each fiscal year or period.
